DECLARATION OF SCIENION AG

1.   Scienion AG, a German corporation, is the assignee of the invention disclosed in the above-identified patent application and the co-applicant of International Application No. PCT/EP/2004/011878 from which the above-identified patent application claims priority.

2.   Eckhard Hordhoff and Alan Bullock are listed as co-applicants and co-inventors for the above-identified patent application.

3.   Upon review of the documentation for the invention described in the above application and the formal documents for the same, it is clear that a number of inventors were not named in the inventorship information of the patent application. This inadvertent omission was made without deceptive intent. The following individuals should be listed as inventors for this application in addition to Eckhard Nordhoff and Alan Bullock: Christine Lubbert, Landshuter Str. 26, 10799 Berlin, Germany; Antonin Schenk, Fedrova 1, Brno 52100, Czech Republic; Holger Eickhoff, Am Friedeholz 11, 28857 Syke, Germany; and Martin Horn, Halskestr. 46, 12267 Berlin, Germany.

I hereby declare that all statement made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
